Crime Stats on following pages

## Lovingood praises Sheriff as High Desert crime rate falls -- again

First District Supervisor Robert Lovingood congratulated the San Bernardino County Sheriff's Department as new statistics show that crime rates fell in nearly every High Desert community in 2013 – the second overall decline in the past two years.

"I have the utmost respect for Sheriff John McMahon and his entire department," Lovingood said. "It's especially gratifying to see that major crime dropped in seven of the eight sheriff's jurisdictions here in the High Desert, on top of 2012 declines."

Part 1 crimes dropped 15 percent in both unincorporated Victor Valley and unincorporated Barstow, followed by 11 percent declines in Apple Valley and Needles in 2013. Major crime fell 10 percent in Victorville, 8 percent in Hesperia and 4 percent in Adelanto.

Part 1 crimes are murder, manslaughter, rape, robbery, aggravated assault, simple assault, burglary, larceny and auto theft.

Lesser crimes also declined in six of the eight sheriff's jurisdictions in the High Desert. Crime rates in High Desert communities generally declined more than the county as a whole.

In 2012, overall crime dropped in all eight High Desert communities under the Sheriff's jurisdiction.
